DIRECTORS' REPORT

Your directors present their report on the consolidated entity consisting of Carbon Minerals Limited and the entities it controlled at the end of, or during, the half-year ended 30 June 2022.

Directors

The following persons were directors of Carbon Minerals Limited during the half-year and up to the date of this report:

M.P. Lincoln Smith

R.P. Lincoln Smith

W.V. Annis-Brown

K.D. Fung

B.K. Lee (alternate for K.D. Fung)

S.J. Danielson was a director from the beginning of the half-year until he resigned as a director on 6 April 2022.

B.K. Lee was an alternate director for S.J. Danielson from the beginning of the half-year until his appointment automatically terminated when Mr. Danielson resigned as a director on 6 April 2022. B.K. Lee was then appointed as an alternate director for K.D. Fung on 6 April 2022 and continues in office at the date of this report.

Operating Results

The consolidated loss of the consolidated entity for the half-year after income tax was \$136,827 (2021 half-year: loss of \$150,125).

Dividends

The directors report that during the half-year ended 30 June 2022 no dividends were declared or paid (2021 half-year: nil)

Review of Operations

Gunnedah Basin Coal-Seam-Gas Project

Petroleum Exploration Licences (PEL) 1 and 12, NSW (Gunnedah Basin)

These tenements are held by wholly owned subsidiary, Australian Coalbed Methane Pty Ltd (ACM) and are subject to a Joint Venture (JV) with Santos QNT Pty Ltd (Santos). ACM holds a 35% interest in the Titles and Santos holds the remaining 65%. Exploration is carried out under a joint venture arrangement with Santos being the project Operator.

Field operations during the quarter included routine inspection and maintenance of existing wellheads, surface facilities and access tracks.

A management committee meeting was held on 31 January 2022 to discuss the work program and budget for planned Petroleum Exploration Licence (PEL) 1 and PEL 12 activities in calendar year 2022 and timing of renewals of these licences.

DIRECTORS' REPORT (continued)

Review of Operations (continued)

The Company's securities were suspended from quotation following close of trading on 14 February 2022. ASX has determined that the Company's current level of operations are not adequate to warrant the continued quotation of its securities and therefore it is in breach of ASX Listing Rule 12.1. The suspension will continue until the Company is able to demonstrate compliance with ASX Listing Rule 12.1.

The suspension is not related to the financial performance of the company. The Company has the ability and intention to operate for the foreseeable future and anticipate the suspension will be lifted within the next 12 months as and when the Company's operations expand.

In late March 2022, the NSW government supplied PEL 1 and PEL 12 renewal documentation to Santos that were reviewed by the JV parties in the reporting period. In April 2022, the NSW Government renewed these tenements, with the Licences taking effect from 12 April 2022 for six years until 12 April 2028. The Licence conditions include undertaking an agreed work program. In Year 1 (12/4/22 to 12/4/23), the program includes:

- Reactivation and operation of the Kahlua multi-well pilot; and
- Geological studies.

A technical committee meeting was held on 6 June 2022 to further discuss the planned work program and budget for on-ground activities in Petroleum Exploration Licence (PEL) 1 and PEL 12 during calendar year 2022.

Financial Position

At 30 June 2022 cash was \$2,772,041 (31 December 2021: \$2,952,530) and current liabilities were \$347,589 (31 December 2021: \$246,743). The reduction in cash is chiefly due to the payment of administration expenses and creditors during the period.

The Group (being Carbon Minerals Limited and its subsidiary Australian Coalbed Methane Pty Limited) has adequate cash reserves to fund its continued participation in the joint arrangement with Santos for the foreseeable future. Budgeted expenditure commitments for the next 12 months, from the period ending 1 July 2022, for ACM's 35% share are \$1.35M. Please refer to Note 8 for further information on future exploration expenditure commitments.

The Group also has a \$1.25M loan facility in place to use for working capital as and when required. The amount of the loan facility used to 30 June 2022 was nil. Please refer to Note 9 for further information on the loan facility.

Matters subsequent to the end of the financial period

Implementation of government measures in response to the COVID-19 pandemic are continually evolving. The directors have considered possible effects on the Company's financial condition and as at the date of this report do not expect there to be a material impact.

Auditors' independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 4.

DIRECTORS' REPORT (continued)

Rounding of amounts

The company has relied on the relief provided by ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191 relating to the 'rounding off' of amounts in the directors' report and financial report. Amounts in the directors' report and financial report have been rounded off to the nearest dollar in accordance with that instrument.

This report is made in accordance with a resolution of directors.

Auditor's Independence Declaration

As lead auditor for the review of Carbon Minerals Limited for the half-year ended 30 June 2022, I declare that to the best of my knowledge and belief, there have been:

- (a) no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the review; and
- (b) no contraventions of any applicable code of professional conduct in relation to the review.

This declaration is in respect of Carbon Minerals Limited and the entities it controlled during the period.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 30 JUNE 2022

NOTE 1 BASIS OF PREPARATION OF HALF-YEAR REPORT

This general purpose financial report for the interim half-year reporting period ended 30 June 2022 has been prepared in accordance with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

This interim financial report does not include all the notes of the type normally included in an annual financial report. Accordingly, this report is to be read in conjunction with the annual report for the year ended 31 December 2021 and any public announcements made by Carbon Minerals Limited during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act* 2001.

The accounting policies adopted and methods of computation are consistent with those of the previous financial year and corresponding interim reporting period and the adoption of new and amended standards as set out below:

(a) New and amended standards adopted by the group

A number of amended standards became applicable for the current reporting period. However, the group did not have to change its accounting policies or make retrospective adjustments as a result of adopting these amended standards.

(b) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of each of the group's entities are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The consolidated financial statements are presented in Australian dollar (\$), which is Carbon Minerals Limited's functional and presentation currency.

NOTE 2 SEGMENT INFORMATION

The chief operating decision maker has considered the requirements of AASB 8, Operating Segments, and has concluded that, during the half-year ended 30 June 2022, the Group has two reportable segments, as described below:

- Natural resources exploration
- Primary production

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. The Group has no revenue related to exploration activities. Interest income is allocated to the natural resources exploration segment because interest is earned on funds held pending utilisation for exploration expenditure. This is consistent with the Group's accounting policies for the previous financial period.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 30 JUNE 2022 (continued)

NOTE 2 SEGMENT INFORMATION (continued)

Primary production activities are secondary to the exploration activities and are carried out only on land not currently used for exploration activities.

NOTE 3 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The Group makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next year are discussed below.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 30 JUNE 2022 (continued)

NOTE 3 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS (continued)

Exploration and evaluation expenditure

Certain exploration and evaluation expenditure is capitalised where it is considered likely that the expenditure will be recovered by future exploitation or sale, or where activities have not reached a stage which permits a reasonable assessment of the existence of commercially recoverable reserves. This process necessarily requires management to make certain estimates and assumptions as to future events and circumstances, in particular, whether economically viable extraction operations can be established. Any such estimates and assumptions may change as new information becomes available. If, after having capitalised expenditure under this policy it is concluded unlikely that the expenditure will be recovered by future exploitation or sale, the relevant amount capitalised is written off to the income statement.

Carried forward exploration and evaluation expenditures are disclosed in note 7 and relate primarily to capitalised exploration and evaluation costs from activities in the Gunnedah Basin.

The above amounts represent costs of areas of interest carried forward as an asset and the group's share of costs under the arrangement with Santos QNT Pty Limited. The ultimate recoupment of deferred exploration and evaluation expenditure in respect of an area of interest carried forward is dependent upon the discovery of commercially viable reserves and the successful development and commercial exploitation of the respective areas or alternatively sale of the underlying areas of interest for at least their carrying value. Amortisation, in respect of the relevant area of interest, is not charged until a mining operation has commenced.

The carrying amounts of the group's exploration and evaluation assets are reviewed at each reporting date to determine whether there is any indication of impairment. Where an indicator of impairment exists, a formal estimate of the recoverable amount is made. The recoverable amount of the group's exploration and evaluation assets are based on its fair value less costs of disposal.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 30 JUNE 2022 (continued)

NOTE 8 COMMITMENTS FOR EXPENDITURE

Exploration expenditure commitments

In order to maintain current rights to tenure to exploration tenements PELs 1 and 12, the consolidated entity is required to carry out exploration activities under an agreed work program. These tenements are subject to a joint arrangement agreement between Australian Coalbed Methane Pty Limited (ACM), a wholly-owned subsidiary of Carbon Minerals Limited, and Santos QNT Pty Limited (Santos). Under the terms of the agreement ACM is required to meet total work program expenditure of \$13M. These obligations are not provided for in the financial statements and are payable as follows:

	30 JUNE 2022	31 DECEMBER 2021
	\$	\$
Within one year	1,351,831	906,500
Later than one year but not later than 5 years	1,584,013	2,112,017
	2,935,844	3,018,517

If the consolidated entity does not meet these obligations, assets recognised in the balance sheet may require review to determine the appropriateness of carrying values. The sale, transfer or farm-out of exploration rights to third parties will reduce or extinguish these obligations.

NOTE 9 RELATED PARTY TRANSACTIONS

(a) Controlling entity

The Company's ultimate controlling entity is Malewi Investments Pty Limited, incorporated in New South Wales, which indirectly owns 57.27% of Carbon Minerals Limited.

(b) Directors

The names of each person holding the position of director of the Company during the whole of the half-year are M.P. Lincoln Smith, R.P. Lincoln Smith and W.V. Annis-Brown.

- K.D. Fung was appointed as a director on 6 April 2022.
- S.J. Danielson resigned as a director on 6 April 2022.

B.K. Lee was an alternate director for S.J. Danielson until his appointment automatically terminated when Mr. Danielson resigned as a director on 6 April 2022. B.K. Lee was then appointed as an alternate director for K.D. Fung on 6 April 2022.

Since 11 April 2022 Palmarc Investments Pty Limited ("Palmarc") has provided secretarial services free of charge to the Group. M.P. Lincoln Smith and R.P. Lincoln Smith are directors of Palmarc and an entity related to M.P. and R.P. Lincoln Smith owns Palmarc.

Lincoln Smith & Company (Solicitors) provides legal advice to the Group. W.V. Annis-Brown is the principal of the firm. No fees were payable to Lincoln Smith & Company (half-year 2021: Nil).

Professional fees of \$78,500 (half-year 2021: \$61,500) were payable to Mitchell & Partners (Chartered Accountants), a firm of which K.D. Fung and B.K. Lee are principals and S.J. Danielson is a consultant

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 30 JUNE 2022 (continued)

NOTE 9 RELATED PARTY TRANSACTIONS (continued)

(c) Loans from related parties

On 25 March 2020 the Company entered an unsecured loan facility agreement with Palmarc Investments Pty Limited, (a company associated with Executive Chairman and CEO Marcus Lincoln Smith and Executive Director Raphael Lincoln Smith). The Company will utilise the facility for the purposes of working capital of the Company or its subsidiary Australian Coalbed Methane Pty. Limited.

The principal terms of the loan facility agreement are as follows:-

- the Company may for a period of up to 5 years (subject to there being no change of control of the Company or default) draw down up to a total borrowing of \$1.25 million;
- each drawdown is repayable within 12 months of the date of the advance, or earlier on change of control of the Company or default;
- interest rate is the bank bill rate; and
- the Company has the option to satisfy the repayment such loan(s), in whole or in part, by the issue (subject to and conditional on all necessary approvals of shareholders and no change of control of the Company or default) of fully paid ordinary shares of the Company at a price of not less than the volume weighted average price of fully paid ordinary shares on the Australian Securities Exchange (ASX) for the period of 1 month prior to the relevant repayment date or, if there is no such trading, not less than the last sale price prior to the relevant repayment date.

The amount of the loan facility used to 30 June 2022 was nil.

(d) Terms and conditions

Transactions were made on normal commercial terms and conditions and at market rates.

NOTE 12 ROUNDING OF AMOUNTS

The company has relied on the relief provided by ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191 relating to the 'rounding off' of amounts in the directors' report and financial report. Amounts in the directors' report and financial report have been rounded off to the nearest dollar in accordance with that instrument.

DIRECTORS' DECLARATION

In the directors' opinion:

- (a) The financial statements and notes set out on pages 5 to 15 are in accordance with the *Corporations Act 2001*, including:
 - (i) complying with Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements; and
 - (ii) giving a true and fair view of the consolidated entity's financial position as at 30 June 2022 and of its performance for the half-year ended on that date; and
- (b) there are reasonable grounds to believe that Carbon Minerals Limited will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the directors.

Independent auditor's review report to the members of Carbon Minerals Limited

Report on the half-year financial report

Conclusion

We have reviewed the half-year financial report of Carbon Minerals Limited (the Company) and the entities it controlled during the half-year (together the Group), which comprises the consolidated statement of financial position as at 30 June 2022, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, significant accounting policies and explanatory notes and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Carbon Minerals Limited does not comply with the *Corporations Act 2001* including:

- 1. giving a true and fair view of the Group's financial position as at 30 June 2022 and of its performance for the half-year ended on that date
- 2. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations* 2001.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity (ASRE 2410). Our responsibilities are further described in the Auditor's responsibilities for the review of the half-year financial report section of our report.

We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibilities of the directors for the half-year financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

Auditor's responsibilities for the review of the half-year financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 30 June 2022 and of its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
